CANTICLE

South Catholic High School
Hartford, Connecticut

FOREWORD

The world is constantly changing and adjusting. Hartford is an another example of a city that is on the move and it has undergone great changes during the past few years. The skyline is evidence of the tremendous growth and achievement.

This growth coincides with our four years at South Catholic. These were eventful four years that saw our class with three different moderators and a new vice-principal. We have changed along with Hartford and have become a part of it. In the future we will continue to grow with it. The places we have frequented these last few years are special to us and the *Canticle* has tried to capture these places as they are today.

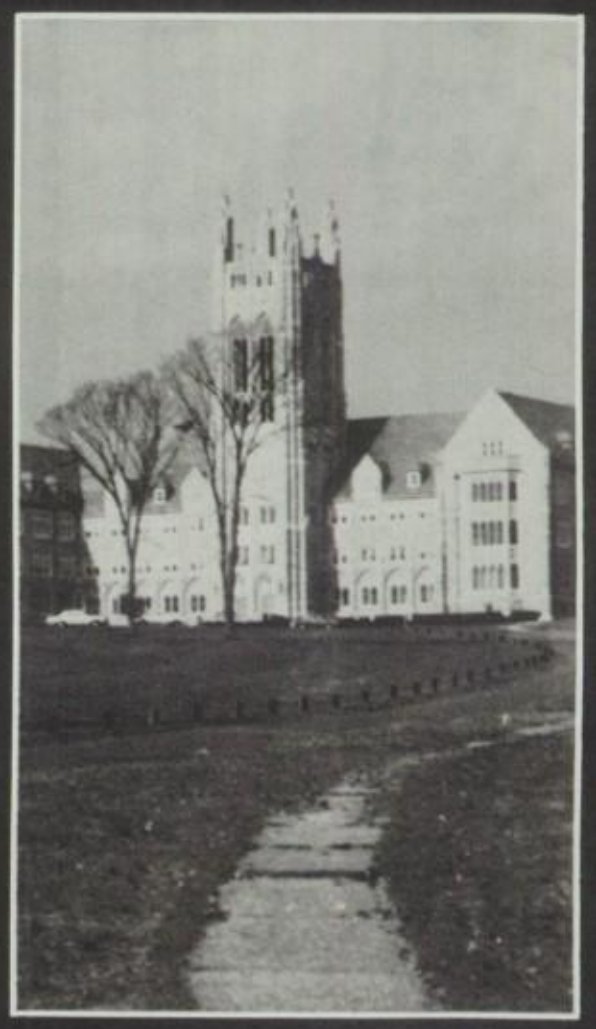
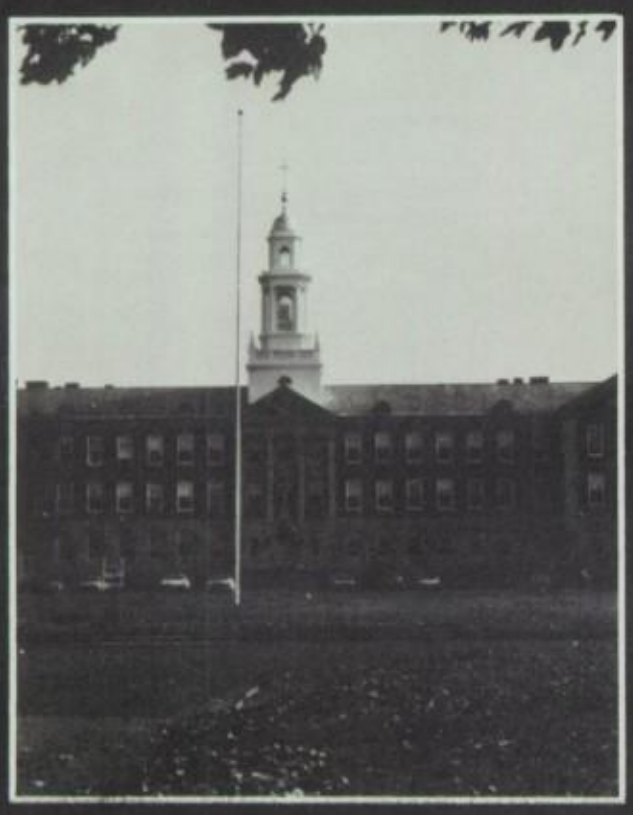
UNIVERSITY OF HARTFORD





Our theme of places in Connecticut includes many colleges and universities which have a well established reputation for their excellence. Many members of the South Catholic faculty are graduates of these fine institutions and bring this quality of excellence to our education.

Clockwise from the bottom left are
St. Joseph's College, St. Thomas' Seminary, University of Hartford, Trinity College, University of Connecticut, and Central Connecticut State College.

FACULTY

ADMINISTRATION

We chose our theme, Places in Connecticut, for the yearbook because we wanted to preserve a piece of Connecticut and South Catholic as it is today. In the course of history things are always changing. So have there been many changes in the administration during our stay at South.

During the past four years, three people have held the office of Vice Principal for Academics. Sr. Maureen Reardon and Sr. Ellen Agritelly have held this office in the past. This year, with the departure of Sr. Maureen, Sr. Julianna Poole has filled this position. Even though we have only known Sr. Julianna for a year we have come to think of her as a friend in that short time.

For the past four years the administration has been a great help to the class of 1983. Not only have we considered them our administrators but we think of them as our counselors. They have trusted us and believed in us and for this we would like to thank them.

TOGETHER WE WALK
MINDFUL OF THE PAST
UNSURE OF THE FUTURE

In sports, the places where we practice and compete are part of what makes us teams and competitors. We endured and worked; we grew in strength and character. To those who have participated, these places will not be forgotten though their physical features are bound to change.

Co-Captain Cesare Mammarella, Coach Tony DiCicco, Co-Captain Matt Ranelli.

This year's varsity soccer team ended their season with a 7-7-1 regular season record. The 2nd year program reached the State Tournament showing the team's character. With only 3 games remaining in the season, the Rebels had to win at least 2 and tie 1 in order to qualify for the tourney. They did this by defeating Htfd. Public and St. Paul who were already qualified for the tournament.

The Rebels lost their 1st tournament game in a hard battle against Suffield. But, the season was an overall success.

Coach DiCicco expresses his feelings.

GIRLS' SOCCER

Senior goalie Joanne Desjardins stops another shot on goal.

Promising freshman Patty Malizia second highest scorer with 5 goals.

Dana Long takes control with a heads up play.

After having a losing season in their first year, the girls' soccer team was determined to improve last year's record. The team brought in three impressive victories and lost four games by only a one-point margin.

The loss of six valuable seniors will be amply compensated by the strength and potential found among the underclassmen. This year's team has laid the foundation for a strong girls' soccer program at South. Coach Rudy Alvarez remarks, "Our success has come as a result of the players' improvement through hard work and team work."

Mark Hixson gives his all.

This year's Boys' Cross Country, despite their 2-8 record, was one of the state's top teams. South, qualifying for the Class M Meet, finished 13th in the competition.

Another major accomplishment was Junior Co-Captain Mark Hixson's finish. He placed 22nd out of nearly 200 runners. This was the best performance by any runner in South Catholic history. The team is young and strong, and will be back next year to deliver another great season.

Kathy Scales and Annie Murasso giving their all down a long stretch.

Cross Country presents the challenges of varying terrains and inclement weather. It takes both a mentally and physically strong person to achieve success in this sport. At most cross-country meets there are few spectators. Often the runners' strenuous efforts go unnoticed as they continue their strides towards the finish line.

South's two victories resulted from a genuine team effort in that each member of the squad contributed equally to the team's success.

Despite this year's setbacks of being such a small and young team, the girls' season did provide for outstanding individual accomplishments. Captain Maggie Smith and Linda Vecchitto who led the team throughout the season both contributed fine performances in the HCC Championship Meet.

South is fortunate to have two individual varsity squads, one for football and one for basketball. Having two squads enables more girls to be cheerleaders and allows the girls to get involved in other activities.

Generating enthusiasm at the games is not the cheerleaders only job. At South cheering goes beyond that point. They spend many hours practicing and making posters and other decorations for the school and athletes to promote school spirit. All the athletic teams benefit from the concern and support of our cheerleaders.

Guided by first-year Coach Maribeth Fetherston, the football cheerleaders devoted their time and energy to make their season enjoyable for all. For the second consecutive year, Mrs. Dorothea LaCava led and directed an outstanding group of basketball cheerleaders composed of ten talented seniors and three juniors.

A Cheerleader

Love and Unity reign supreme
Getting the crowd to participate
Is her goal and ultimate dream!

Steve Pinone earns 2 points.

The Varsity Basketball team lived up to everyone's high expectations with one of the greatest seasons they've had since the '79 State Championships.

The Rebel hoopsters earned every ounce of respect through hard work and determination. The season was highlighted by Captain Mike Thomas reaching the 1000 point plateau. Overall, the tremendous Rebel success can be attributed to Joe Reilly's coaching.

"Defense and hustle," according to second-year Coach Mark Borofsky, was the key to this year's successful season. With a 13-7 record, the team qualified for state tournament play. The girls faced many challenging opponents in their schedule which included such schools as Southington, Hamden, South Windsor and Northwest.

A great deal of credit is due to a fine coaching staff who developed a strong varsity squad as well as an excellent junior varsity team.

Despite the lack of facilities, this year's indoor track team improvised by using hallways, stairs, and any equipment available. Through much hard work seven boys and two girls succeeded in qualifying for the sectional meet. Indoor track offers participants the chance to condition themselves for the outdoor track season.

MISSION TALENT NIGHT

Tom and Diane sing the popular song "Endless Love".

The boys cheerleading squad consisting of Joe, Tony, Damian, Paul, Cesare and coach Lisa seem to pose a threat to the varsity cheerleaders.

Lisa and Linda perform for the audience's eyes only.

On Sunday, February 13th South's annual Mission Talent was held in the auditorium. Led by two M.C.s, many students displayed their talents for charity. The audience was given a delightful show by a wide variety of performers.

Paul talks his way into the hearts of the audience as he M.C.s the show.

Senior Punkettes Jim, Bruce, Dean, Tony, Linda, Danny, John, and Angelo got the beat.

Chris and Dave play their rendition of "Amy".

Dave smiles as he M.C.s the show.

In participating in school activities, we show our desire to be involved. Some clubs help us to grow intellectually and culturally, while others helps us to show leadership, make decisions or help other people. Most important is the place where we participate in these activities because it is from there that we mix and grow together as a community.

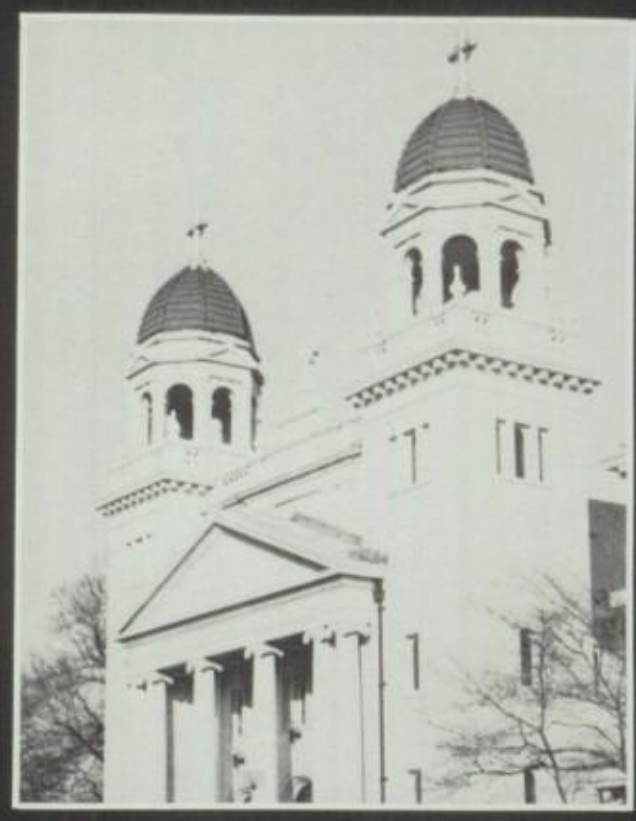
HOSTON



Spiritual life is one of the dimensions we develop at South. Because of the programs here, most of us have grown as Christians both in school and at our own churches. These church buildings which are symbols of a community's spirituality may disappear from the scenes of Connecticut, but we will remember them as they are today and recall the dimension that they gave to us.

Clockwise Top: South Catholic Chapel, St. Augustine's Church, St. Joseph's Cathedral.

CHRISTIAN LEADERSHIP RETREAT

Lori Roseen takes a moment to write down her thoughts.

Peggy McGrath takes cooking duty.

The way to find the real world is not merely to measure and to observe what is outside of us, but to discover our own "inner ground." This "world" where I am mysteriously present at once to my own self and to the freedom of all other men. It is a living and self-creating mystery of which I am myself a part, to which I am myself, my own unique door.

— *Thomas Merton*

AFTERGLOW

I'd like the memory of me
to be a happy one.
I'd like to leave an afterglow
of smiles when life is done.
I'd like to leave an echo
whispering softly down the ways,
Of happy times and laughing times
and bright and sunny days.
I'd like the tears of those who grieve,
to dry before the sun.
Of happy memories that I leave,
when life is done.
